(Frank Loesser)

My darling, my darling, I wanted to call you my darling
For many a many a day
My darling, my darling, I fluttered and flagged like a
starling
My courage just melted away.

Now all at once you've kissed me
And there's not a thing I'm sane enough to say
Except my darling, my darling get used to that name
Of my darling it's here to stay.

(My darling, my darling.)

--- Instrumental ---

(Oh my darling, my darling.)

--- Instrumental ---

Now all at once you've kissed me
And there's not a thing I'm sane enough to say
Except my darling my darling get used to that name
Of my darling it's here to stay.

(My darling, my darling...)
