(He's going home yes he's going back)

I'm going home to the arms of my hometown
sweetheart
Cause she means the world to me
I have missed her cherry lips cherry smile missed her
kiss all the while
Been as lonesome as can be

No other girl incompare to my hometown sweetheart
Hand to toe she suits me fine
I'm just a hometown boy who'll be full of joy when I'll
see
That hometown sweetheart of mine

(He's going home to the arms of his hometown
sweetheart)
Cause she means the world to me
(He misses her honey lips honey smile misses her
kisses all the while)
Been as lonesome as can be

No other girl incompare...
I'm going home I gotta go home I gotta see her
