Standing on the road walking down the highway
Ain't going nowhere but that's my way of life

Well I ain't never had much ambition but I always made
my own way
By turnin' a couple of jobs in some ladies' backyard I
averaged about a dollar a day
I wake up early each morning and before I started on
my way
I get some cigarettes and a couple of cups of coffee a
sweepin' the local city cafe

Standing on the road...

Ain't never had no one to love me never had girl to call
my own
I never would take a chance to fool with romance I
guess I'm used to being alone
Nobody wants a drifter so I'll keep moving on
There's nothin' to tie me down when I wanna leave town
Nobody's gonna miss me when I'm gone

Standing on the road...
