(Jan Crutchfield)

I'm thinking of you again tonight
And I'm oh so far from home
I'm missing you again tonight
As I sit and dream alone.

I'm needing you as I never did before
But somehow my plans went wrong
I'm wanting you again tonight
And I'm oh so far from home.

From my tiny window I see couples on the street
So in love as they go strollin' on
And tonight I see myself more in love with you
And I'm oh so far from home.

And I'm oh so far from home...
