ONLY YOU

Writers Buck Ram, Ande Rand

Only you can make the darkness bright Only you and  
you alone can thrill me like you do And fill my heart  
with love for only you Only you can make this change in  
me For it's true, you are my destiny When you hold my  
hand I understand the magic that you do You're my  
dream come true, my one and only you Only you can  
make this change in me For it's true, you are my  
destiny When you hold my hand I understand the  
magic that you do You're my dream come true, my one  
and only you (One and only you)
