Oh I wish I had someone to love me yes someone to
call me their own
Oh I wish I had someone to live with cause I'm tired of
living alone

Oh please meet me tonight in the moonlight oh please
meet me tonight all alone
For I have a sad story to tell you it's a story that's never
been told
[steel]
I'll be carried to the new jail tomorrow leaving my poor
darling alone
With the cold prison bars all around me and my head
on a pillow of stone

Now I have a grand ship on the ocean all mounted with
silver and gold
And before my poor darling would suffer oh that ship
would be anchored and sold
Now if I had the wings like an angel over these prison
walls I would fly
And I'd fly to the arms of my darling and there I'd be
willing to die
