(Please release me, let me love again)

Please release me, let me go
For I don't love you anymore
To waste our lives would be a sin
Release me and let me love again

(Please release me, let me love again)

I have found a new love, dear
And I will always want her near
Her lips are warm while yours are cold
Release me, my darling, let me go

Please release me, let, can't you see
You'd be a fool to cling to me
To live a lie would bring us pain?
So release me and let me love again
