I'm goin down  
Works all done  
Evenin here at last  
The moon comes up behing the hills I love  
And I'm riding home

(He's riding home)  
(See that lonseome cowboy riding down that lonesome trail)  
(Moonlight shadows swaying to the tune of his lonesome wail)

Well he's ringing home  
(He's ridin home)  
Bed down doggie  
Rest a while  
I'll be back tomorrow morn  
I'll take you down to where the wate's cool  
But now I'm ridin home

(He's ridin home)  
(See that lonseome cowboy riding down that lonesome trail)  
(Moonlight shadows swaying to the tune of his lonesome wail)

Well he's ringing home  
(He's ridin home)  
Night birds fly to the side  
Heading home with me  
When they get there they'll tell the one I love  
That I'm riding home

(He's ridin home)  
(See that lonseome cowboy riding down that lonesome trail)  
(Moonlight shadows swaying to the tune of his lonesome wail)

Well he's ringing home  
(He's ridin home)
