(Bill Halley)

Day is done and here am I alone and you know why
Roll along, roll along Kentucky moon
Shed a ray of silvery light at the one I love tonight
Roll along, roll along Kentucky moon.

You were watching on high as we whispered goodbye
Twas a love dream that ended too soon
But wherever she may be oh bring her back to me
Roll along, roll along Kentucky moon.

--- Instrumental ---

You were watching on high as we whispered goodbye
Twas a love dream that ended too soon
But wherever she may be oh bring her back to me
Roll along, roll along Kentucky moon...
