You've painted up your lips and rolled and curled your
tinted hair
Ruby are you contemplating goin' out somewhere
The shadow on the wall tellsd me the sun is going
down
Oh Ruby don't take your love to town

It wasn't me that started that old crazy Asian war
But I was proud to go and do my patriotic chores
Yes it's true that I'm not the man I used to be
But Ruby I still need some company

It's hard to love a man whose legs are bent and
paralyzed
And the wants and the needs of a woman your age
Ruby I realize
But it won't be long I've heard them say until I'm not
around
Oh Ruby don't take your love to town
She's leavin' now cause I just heard the slamming of
the door
The way I know I've heard it slam one hundred times
before
If I could move I get my gun and put her in the ground
Oh Ruby don't take your love to town
Oh Ruby don't take your love to town
