There are stars in the southern sky southward as you  
go  
There is moonlight and moss in the trees down the  
seven bridges road

Now I have loved you like a baby like some lonesome  
child  
I have loved you in a tame way and I have loved you  
wild

Sometimes there's a part of me has to turn from here  
and go  
Running like a child beneath warm stars down the  
seven bridges road  
[ strings ]  
Now there are stars in the southern sky and if ever you  
decide you should go  
There is a taste of time sweetened honey down the  
seven bridges road
