Darling I don't know much I know I love you so much  
My life depends on your touch and my love is a river  
running soul deep  
Way down inside me it's soul deep  
It's too big to hide and it can't be denied  
My love is a river running soul deep soul deep

I work myself to death for ya just to show I adore ya  
Nothing I wouldn't do for ya cause my love is a river  
running soul deep  
Way down inside me it's soul deep  
Too big to hide...  
All I ever ever hope nto be depends on your love for me  
Baby believe me if you'd do leave me  
I'd be nothing but an empty shell I know darn well  
Darling I don't know much...
