The sun was her hair the sea was her eyes  
Her voice was the warm summer wind  
Possessing the beauty of a golden sunrise  
I'll love her forever sweet Marilyn

Her love and her smile is still warm in my heart  
The ring of her laughter still echoes  
Remembering the whisper I turned with a sigh  
But it's just the strange way the wind blows

The sun was her hair...

As a beautiful flower that withers and dies  
Leaves the fragrance still lingering  
I will close my tear filled eyes  
And see if she's still here with me

The sun was her hair...
