Take me in your arms and hold me
Like I've been holding you in my heart
Take me in your arms and tell me
That you've missed me since we've been apart

You just don't know how heartsick
And lonesome I've been
Or how much I've prayed
That you'll come back again

And take me in your arms and hold me
Like I've been holding you in my heart

You just don't know how heartsick
And lonesome I've been
Or how much I've prayed
That you'll come back again

And take me in your arms and hold me
Like I've been holding you in my heart
