"Take My Hand For Awhile"

Visit "[Take My Hand For Awhile](#)" on MotoLyrics.com

Take my hand for awhile explain it to be once again
Just for the sake of my broken heart
Look into my eyes and maybe I will understand
How love I counted on was never there
You see I've thought that you might love me
So you caught me it seems off valums with the heart
that's full
Of love and pretty dreams that two should share
Look into my eyes and maybe I will understand
How love I counted on was never there

And so I know but please before you go
Take my hand for awhile explain it to be once again
Just for the sake of my broken heart
So take my hand for just awhile
