(Lester Vanadore)

Taking chances with this heart each time I hold you
Afraid I might be going too far
Taking chances with these lips each time I tell you
Oh, you're the one that I've been waiting for.

Someone else is still on your mind
But I'll take a chance that I'll win in time
Knowing I might lose when you go to choose
But yet I stay around just taking chances.

Someone else is still on your mind
But I'll take a chance that I'll win in time
Knowing I might lose when you go to choose
But yet I stay around just taking chances...
