THAT'S WHAT I GET FOR LOVING YOU

Writer Bobby Lee

Chorus:

Now I've got melodies that never leave
They linger on my mind
Dreams that always do come true
Especially late at night
Happiness that grows and grows
And fills me through and through
That's what I get for loving you.
That's what I get for giving in
A lifetime of love that never seems to end
I almost feels guilty for I've got it so good
You can make me feel like I never thought I could.

Chorus:

Now I've got melodies that never leave
They linger on my mind
Dreams that always do come true
Especially late at night
Happiness that grows and grows
And fills me through and through
That's what I get for loving you.
That's what I get for holding you tight
Beautiful feelings way down deep inside
Friends-but my heart wouldn't listen
I just took one look at you and I saw what I've been
missing.

Chorus:

Now I've got melodies that never leave
They linger on my mind
Dreams that always do come true
Especially late at night
Happiness that grows and grows
And fills me through and through
That's what I get for loving you.
That's what I get for holding you tight
Beautiful feelings way down deep inside
Friends-but my heart wouldn't listen
I just took one look at you and I saw what I've been
missing.

Chorus:

Now I've got melodies that never leave
They linger on my mind
Dreams that always do come true
Especially late at night
Happiness that grows and grows
And fills me through and through
That's what I get for loving you.

Chorus:

Now I've got melodies that never leave
They linger on my mind
Dreams that always do come true
Especially late at night
Happiness that grows and grows
And fills me through and through
That's what I get for loving you...
