A little love that slowly grows and grows not one that
comes and goes

That's all I want from you

A sunny day with hopes up to the sky a kiss and no
goodbye

That's all I want from you

Don't let me down oh show me that you care

Remember when you give you also get your share

Don't let me down I have no time to wait

Tomorrow might not come when the dream is dreamed
too late

A little love that slowly grows and grows not one that
comes and goes

That's all I want from you

(A little love that slowly grows and grows not one that
comes and goes)

That's all I want from you

(A sunny day with hopes up to the sky a kiss and no
goodbye)

That's all I want from you

Don't let me down oh show me...

That's all I want from you
