(Ben Raleigh - Jim Coleman)

I didn't know till I met you  
How foolish I could be  
The biggest fool in Tennessee  
Is part compared with me.

I let myself fall in love with you  
And now it's plain to see  
The biggest fool in Tennessee  
Knows more about love than me.

You had some kisses to spare  
And I just happenend to be there.

Well, go ahead now and have your laugh  
But remember when you do  
The biggest fool in Tennessee  
May turn out to be you...
