THE BLUES DON'T CARE WHO'S GOT 'EM  
WRITERS WAYLAND HOLYFIELD, DICKEY LEE

Chorus:

Well the blues don't care who's got 'em  
Tears don't care where they fall  
And you don't care my heart is breaking in two  
No you and the blues don't care at all

Outside my window  
It's raining  
Somehow the rain seems right  
Inside my lonely heart is aching  
Oh how I miss you tonight

Repeat Chorus

The wind don't care where it's blowing  
Rivers don't care where they flow  
I don't know where I'm going  
Cause you don't care anymore

Repeat Chorus

Oh darling you and the blues don't care at all
