(Cy Coben - Eddy Arnold - Doug Melsher)

There's no wings on my angel

'Cause she's not from heaven above

No halo on my angel

But she's still the one that I love.

I know that she flirts, I know she's untrue

But I love her so, so what can I do

There's no wings on my angel

But she's still an angel to me.

--- Instrumental ---

There's no wings on my angel

The devil is there in her eyes

No gold crown on my angel

She's foolin' the one with her lies.

I know love is blind but still I can see

That my love for her means sweet misery

There's no wings on my angel

But she's still an angel to me...
