(Billy Hughes)

I take a trip to the Moon
In an old rockin' ship
If I could be rewarded with
A kiss from your sweet lips.
'Cause there's not a thing
I wouldn't do for you
There's not a single little thing
In this world I wouldn't do for you.
I'd pick a lotta cotton
Work my fingers to the bone
If you would only promise
To be just mine alone
'Cause there's not a thing
I wouldn't do for you
There's not a single little thing
In this world I wouldn't do for you.
I'd even go to India
Picking some old tune
If you would be my baby
'Neath the old India moon.
'Cause there's not a thing
I wouldn't do for you
There's not a single little thing
In this world I wouldn't do for you.
--- Instrumental ---
I may not mean so much
To anybody else
But for you my baby
I'll kep my love on the shelf.
'Cause there's not a thing
I wouldn't do for you
There's not a single little thing
In this world I wouldn't do for you.
I'd take a pick and shovel
And if the need should be
I'd dig my way to China
If you'd dig away with me.
'Cause there's not a thing
I wouldn't do for you
There's not a single little thing
In this world I wouldn't do for you...
