I feel like this about you love can't miss about you
And there's this about you, you gotta be mine
Oh there's this about you incredible bliss about you
And there's a kiss about you sweeter than wine
No false alarms about you adorable charms about you
I want my arms about you ninety till nine
I feel like this about you...

There's a song about you that sound all wrong about you

I'll belong about you all of the time

I'd lose my mind without you no ties that bind without you

The love I find about you has gotta be mine I feel like this about you...

There's desire about you uncatchable fire about you My need is died without you certainly find So very much about you words can touch about you My love is such about you here you gotta be mine I feel like this about you...

I feel like this about you...

I feel like this about you...
