Though your sins be as scarlet they shall be as white as
snow

Though your sins be as scarlet they shall be as white as
snow

Though they be as crimson they shall be as warm

Though your sins be as scarlet though your sins be as
scarlet

They shall be as white as snow they shall be as white as
snow

Hear the voice that entreats you oh return me unto God

Hear the voice that entreats you oh return me unto God

He's the great compassion and the one who's loved

Hear the voice that entreats hear the voice that
entreats

Oh return me unto God oh return me unto God
