TILL I WALTZ AGAIN WITH YOU

(Sidney Prosen)

© '61 Unichappell Music

Till I waltz again with you don't let no other hold your charms  
If my dreams should all come true you'll be waiting for my arms  
Till I kiss you once again keep my love locked in your heart  
Darlin' I'll return and then we will never have to part  
Though it may break your heart and mine the minute when it's time to go  
Remember dear each word divine that meant I love you so  
Till I waltz again with you just the way we are tonight  
I will keep my promise true for you are my guiding light  
Though it may break your heart...
