Trouble in mind, yes, I'm blue
But I won't be blue always
Sun is gonna shine
In my back door someday

Trouble in mind, yes, it's true
I have almost lost my mind
Never had some much trouble
In my life before

Now if it don't stop
I'm going right on down to the river
I'm gonna take my easy chair
And if the blues don't get me
I'm gonna rock on away from here

Talking about I'm trouble in mind, oh yes, I'm blue
I have almost lost my mind
Never had some much trouble
In my life before

If it don't stop
I'm going right on down, ooh, to the river
I'm gonna take my easy chair
And if the blues don't get me
I'm gonna rock right on away from here

You better believe me, I'm trouble in mind
Oh yes, it's true, I have almost lost my mind
Never had so much trouble
In my young life before

If it don't stop
I'm going right on down, ooh, to the river
I'm gonna take my only easy chair
And if the blues don't get me
I might have to rock on away from here

Saying that I'm trouble in mind, oh yes, I'm blue
But I just refuse to be blue always
The sun is gonna shine
In my back door someday

I said, it is my [Incomprehensible]
The sun is gonna shine
In my back door someday
Well, I said that I believe
The sun is gonna shine
In my back door someday
Oh, trouble in mind, hey
