Turn the world
Around the other way
Back it up and
Stop on yesterday

Back to before
That silly fight
And give me a chance
To make things right

I said some things
I didn't mean to say
Things I'm so sorry for today

Down on my knees
I beg you please
To turn the world
Around the other way

I never really wanted
Us to break up
And I'm sorry for each
Teardrop that you cried

We need to give our hearts
A chance to make up
And, darling, with you
Standing by my side

We'll turn the world
Around the other way
Back to where it
Started yesterday

Just take my hand
Together, we can
Turn the world around
The other way

Yes, we'll turn the world
Around the other way
Back it up and stop

On yesterday

Just take my hand
Together, we can
Turn the world around
The other way
