(Stu Davis)

What a fool I was to ever let you go
A sweeter love than yours I'll never know
Darling, I was so unwise and now I realize
What a fool I was to ever let you go.
I'm so lonely as I write this note to you
Sweetheart, I know that I still love you true
Now that we are far apart
There's a longing in my heart.
What a fool I was to ever let you go
Sweetheart I know that I was once to blame
I wonder if you love me just the same
How now worry dear I regret the last goodbye
What a fool I was to ever let you go.
Oh, won't you try to give me one more chance
Darling let's renew our old romance
It will mean the world to me if you'll let me this last plea
Oh my darling, won't you give me one more chance.
What a fool I was to ever let you go
Sweetheart I know that I was once to blame
I wonder if you love me just the same
How now worry dear I regret the last goodbye
What a fool I was to ever let you go...
