"What Now My Love"

What now my love now that you left me
How can I live through another day
Watching my dreams turn into ashes
And my hopes into bits of clay

Once I could see once I could feel
Now I am numb I've become unreal
I walk the night but without a goal
Stripped of my heart my soul

What now my love now that it's over
I feel the world closing in on me
Here come the stars tumbling around me
And there's the sky where the sea should be
What now my love now that you're gone
I'd be a fool to go on and on
No one would care no one would cry
If I should live or die

What now my love now there is nothing
Only my last goodbye
