"Why"

Why did you tell me that you love me
When you really didn't love me oh darling why
And why did you let me dream on
Now the pretty dream's gone and all I can do is cry
And I will never understand it
Was that the way you planned it was it all just a lie
Goodbye you broke the heart I gave you
But someday your heart will break too
And you'll wonder why
[guitar]
Oh darling why goodbye
You broke the heart I gave you
But someday your heart will break too
And you'll wonder why
