(Zake Clements)

Why should I cry over you dear
When you never cried over me
You want to take without giving

You called our dream world a prison
But from now on you'll be free
Why should I cry over you dear
When you never cried over me.

--- Instrumental ---

Why should I cry over you dear

That's why our hearts disagree.

You called our dream world a prison
But from now on you'll be free
Why should I cry over you dear
When you never cried over me...
