(Felix Bernard - Dick Smith)  
Sleigh bells ring are you listening  
In the lane snow is glistening  
A beautiful sight we're happy tonight  
Walking in the winter wonderland.  
Gone away is the bluebird  
And here to stay is a newbird  
He sings a love song as he goes along  
Walking in the winter wonderland.  
In the meadow we can build the snowman  
We'll pretend that he is Parson Brown  
He'll say, are you merry, we'll say, no man  
But you can do the job when you're in town.  
Later on we'll conspire  
As we dream by the fire  
The face on the frame the vows that we made  
Walking in the winter wonderland.  
In the meadow we can build the snowman  
And pretend that he's a Sacos Clown  
We'll have lots of fun with Mr. Snowman  
Until the other kiddies knock him down.  
When it snows ain't it thrillin'  
Though your nose gets the chillin'  
We'll fall, we can play the Eskimo way  
Walking in the winter wonderland.  
Walking in the winter wonderland...
