Some day some old familiar rain will come along and  
know my name  
And then my shelter will be gone and I'll have to move  
along  
But till I do I'll stay awhile and track the hidden country  
of your smile

Some day the man I used to be will come along and call  
on me  
And then because I'm just a man you'll find my feet are  
made of sand  
But till that time I'll tell you lies and chart the hidden  
boundrys of your eyes

Some day the world I used to know will come along and  
lead me go  
Then I'll be leaving you behind for love is just a state of  
mind  
But till that day I'll be your man and love away your  
troubles if I can
