(Merle Kilgore)

Though I only see you now and then  
It's just enough to break my heart again  
'Cause you still got a hold on me

It hurts to ask how you've been  
And walk away from you like some old friend  
'Cause you still got a hold on me

Can't help it if I show it  
Don't care who knows it  
But you still got a hold on me.

It grows stronger everyday  
It's like you've never gone away  
'Cause you still got a hold on me.

--- Instrumental ---

Can't help it if I show it  
Don't care who knows it  
But you still got a hold on me.

It grows stronger everyday  
It's like you've never gone away  
'Cause you still got a hold on me...
