You'll never know just how much I miss you  
You'll never know just how much I care  
And if I tried I still couldn't hide my love for you  
You ought to know for Heaven I told you so a million or  
more times

You went away and my heart went with you  
I speak your name in my every prayer  
If there were some other way to prove that I love you  
I swear I don't know how  
You'll never know if you don't know now

If there is some other way to prove that I love you  
I swear I don't know how  
You'll never know if you don't know now  
You'll never know if you don't know now
