Your cheatin' heart  
Will make you weep  
You'll cry and cry  
And you'll try to sleep

But sleep won't come  
The whole night through  
Your cheatin' heart  
Will tell on you

And your tears come down  
Like fallin' rain  
You'll toss around  
And you'll call my name

And you'll walk the floor  
The way you made me do  
Your cheatin' heart  
Will tell on you

And your tears come down  
Like fallin' rain  
You'll toss around  
And you'll call my name

And you'll walk the floor  
The way you made me do  
Your cheatin' heart  
Will tell on you
