You're my everything underneath the sun
You're my everything grow up into one
You're my only dream, my only real reality
You're my idea of a perfect personality

You're my everything, everything I need
You're the song I sing and the book I read
You're a way beyond unbelieved and just to make it
real
You're my winter, summer, spring, my everything

You're a way beyond unbelieved and just to make it
real
You're my winter, summer, spring, my everything
