(Russ Morgan - Larry Stock - James Cavanaugh)

You're nobody till somebody loves you
You're nobody till somebody cares
You may be king you may possess the world and its gold
But gold won't bring you happiness when you're
growing old.

The world's still the same you'll never change it
As sure as the stars shine above
You're nobody till somebody loves you
So find yourself somebody to love.

--- Instrumental ---

You're nobody till somebody loves you
So find yourself somebody to love, to love...
