Verse 1: How can this be, my heart was just awakened.  
I couldn't see my life was forsaken.

But you said you cared for me,  
You said you'd be there for me.

Chorus: I love you, have no fear.  
I made you, and I'll be right here,  
And I know you will.

Verse 2: You gave me life, and so much more.  
I heard that knock in my heart and I opened the door  
And now that I know the truth  
I will spread the word.

Chorus:

Bridge: Sometimes it's hard to understand,  
how much you love me.  
Sometimes it's hard to fully grasp,  
living for eternity, but then you said.
