You left me with a problem  
Now I know what it's all about  
You took my heart and split it up  
Now you know what it's all about  
How do you feel my love?  
Do you feel it as I walk away?  
How do you feel my love?  
Do you feel it as I walk away?  
Who knows what kind of pity for  
Excuse you from yourself  
To justify the misery  
That you put yourself within.  
How do you feel my love? (Ay? My?...)  
Do you feel it as I walk away?  
How do you feel my love?  
Do you feel it as I walk away?  
Need to find myself  
All that I've got left  
Used up, ooh, I'm used up  
Need to cry but still  
Got to show my will  
Been used too much  
How do you feel my love?  
Oh, child, do you feel it as I walk away?  
How do you feel my love?  
Oh, oh, oh, child, do you feel it as I walk away?  
Need to find myself  
All that I've got left  
Used up, ooh, I'm used up.  
Need to cry but still  
Got to show my will  
I've been used too much.  
How do you feel my love?  
Do you feel it as I walk away?  
How do you feel my love?  
Do you feel it as I walk away?  
(Repeat to fade)
