Take off your shoes  
Sit on the floor

I'll make us a coffee he'll keep you warm.  
Remember the times we couldn't afford  
Even the bare necessities  
But we made it somehow.  
And I love you  
Yes I love you.  
Tell me do you love me  
Do you love me still.  
They tried to keep me down  
You made me strong  
And I love you  
Yes I love you girl.  
Tried to sell a tune  
Nobody would buy.  
Hunger and frustration nearly made me die

Pressure when it takes you can drive you wild.  
Baby  
You've got the kind of love that really drives me wild.  
And I love you  
Yes I love you. . . .  
Don't say it  
Oh child

Don't suck your teeth on me  
No  
No  
Baby

Don't play child  
You know you made a man out of me.  
Take off your shoes  
Sit on the floor  
And I love you  
Yes I love you. . . .  
They tried to keep me down  
. . .
