Oh, do it, do it  
Oh, do it, do it

Looking through the morning dew  
At smokey mountains, nothing new  
Lead me to the mountain top  
And we'll work until it's time to stop

Oh baby, you're mine, you're mine  
You're walking on sunshine  
(And I) got to tell you that you doing fine  
Walking on sunshine  
Oh  
(And I got to) tell you that you're doing fine  
Walking on sunshine

Oh, living isn't everything  
But you know the feeling love can bring  
I said when you're floating through your cloud  
Baby don't you shout too loud

Oh darlin'

I said that you're mine, you're mine, oh  
You're walking on sunshine  
(And I) got to tell you that you doing fine  
Walking on sunshine  
Oh  
(I got to) tell you that you're doing fine  
Walking on sunshine  
Oh

That's right, get there  
(Oh baby) everybody (yeah)  
(x3)

Looking through the morning dew  
At smokey mountains, nothing new  
Lead me to the mountain top  
And we'll work until it's time to stop

Oh baby, you're mine, you're mine  
You're walking on sunshine  
(And I got to) tell you that you doing fine  
Walking on sunshine  
Oh  
(I got to) tell you that you're doing fine  
Walking on sunshine

That's right (oh baby)  
Get there everybody (yeah)  
(x3)

You're mine, you're mine  
You're walking on sunshine  
(And I got to) tell you that you doing fine  
Walking on sunshine  
Oh (And I got to) tell you that you're doing fine  
Walking on sunshine  
Oh

That's Right (x4)
