Come on lovers
You young lovers
Dance the teen-ager's waltz

Come on capture
All the rapture
That's meant for you alone

Time for whirling
Time for twirling
To the teen-ager's waltz

You'll be happy
Oh so happy
In a world of your own

[CHORUS]
As the music
Plays softly
And the lights
Are turned low
You can whisper
Sweet nothings
As you sway to and fro.

[REFRAIN]
Cutting is
Forbidden
On the teen-ager's waltz,
So be sure you
Choose your true love
For the teen-ager's waltz

[BRIDGE]

[Repeat CHORUS]

[Repeat REFRAIN]
