I tore my letter up, I couldn't even start  
To tell you what's really in my heart  
There's only so much that words can say  
So I sent you a piece of this beautiful day.  
Oh I want you to know that I took a rainbow  
And sent it off in a letter to you  
I took some flowers in the spring made a sweet clover  
ring  
And sent it off in a letter to you  
I took a song from the lark, the moon from the dark  
And a spark with the sparkling dew  
With a kiss and a hug and a whole lot of love  
I sent 'em off in a letter to you took the mornin' sun  
peekin' through the trees  
And the dandelion silk tangled in the breeze  
I folded 'em up and I sealed 'em with a kiss  
It's the kind of letter that you can't resist. In a day or  
two, just you wait and see  
You're gonna get a special delivery  
You'll know the way I feel, there can't be any doubt  
When you open it up and let the love spill out
