If it weren't for kids have you ever thought there
wouldn't be no santa claus and look what the stork just
brought thank god for kids and we'd all live in a quiet
house without big bird or mickey mouse and kool aid
on the couch thank god for kids
Thank god for kids, there's magic for a while a special
kind of sunshine in a smile do you ever stop to think or
wonder why the nearest thing to heaven is a child
Daddy, how does this thing fly?
A hundred other wheres and whys
You really don't know but you try thank god for kids
When you look down in those trusting eyes that look to
you, you realize
There's a love that you can't buy
Thank god for kids
When you get down on your knees tonight to thank the
lord for his guiding light and pray they turn out right
thank god for kids
