put on your lipstick it looks just right  
every night is like saturday night  
everybodys liking what they see  
sometimes looks are deceiving

[Chorus:]  
your a drag

A pretty face in a magazine  
are you a lady or a closet queen  
another dream is laid to waste  
'cause your just not another pretty face  
some think your easy just a little sleazy  
some even beg you to stop your teasing  
if they knew they wouldn't dare  
then there's some that just dont care
