Yes I do, anything you want me to
and I now it's plain to see, all you ever want from me
is a fantasy, yes I do

Well, Hi honey
How you feeling tonight
Would you like to feel your body next to mine
Oh would you like to feel your body next to mine
I hear your heartbeat
I hear your heartbeat
I feel your bodybeat
I hear your heartbeat

I hear your heartbeat
I hear your heartbeat
I feel your bodybeat
I hear your heartbeat

So baby, they wanna see my teddybear
It's soft and warm, just waiting for you to touch
Come touch my teddybear
Come touch my teddybear
Oh I feel my teddybear
Oh come touch my teddybear
Yes I do (I do, I do, I do...)

Yes I do, anything you want me to
and I now it's plain to see, all you ever want from me
is a fantasy, yes I do

You don't care how I look, you don't care how I feel
You don't care who I am our if I'am for real
It's a world that Im in, just about to begin
You can never ever win
It's a world that Im in, just about to begin
You can never ever win
It's a world that Im in, just about to begin
You can never ever win

Yes I do, anything you want me to
and I now it's plain to see, all you ever want from me
is a fantasy, yes I do

Yes I do

Yes I do

Yes I do
