Verse

Baby baby I just got to let you know
How you make me feel inside, yeah
Baby baby like a river we could flow
How I wish that you were mine

Prech

Is it your eyes?
Is it your kiss?
Is it the affection that I miss?
I never ever want to say goodbye
Are you for real?
I need to know
Hopefully my heart will tell me so
Before I lay my feelings on the line

Chorus

One thousand words are not enough
I need to feel your tender touch
It is the only thing to satisfy my need
One thousand kisses on my lips
Won't give me the relationship
I want much more than that
A love that I can keep

Verse

How much longer will I have to hold it in?
I want to give you all of me
I am waiting for the moment to arrive
When my soul will be set free

Prech

Is it your touch?
Is it your love?
That sends me to the heavens up above?
Baby only you can take me there

All of my friends say I'm a fool
'cos all I ever think about is you
My life won't be the same
Until I know for sure you are

Chorus
Repeat
Bridge

Can't you feel it baby?
Boy you drive me crazy
All i want to do is share my life with you
I know that you're thinking
Is she what I'm missing?
Let me lead you baby 'cos I can take you there
