Wanna know you better  
Wanna push you baby, but never to far  
Wanna show you heaven  
Wanna be like you, just as strong as you are

I wanna be daylight in your eyes  
I wanna sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be love only stronger  
I wanna be daylight...

Wanna live forever  
Wanna touch your hand and explode like a star  
Wanna stand beside you, always be together wherever  
you are

I wanna be daylight in yours eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be love only stronger  
I wanna be daylight in yours eyes  
I wanna be sunlight only warmer  
I wanna be daylight...

Wanna know you better  
Wanna push you baby, but never to far  
Wanna live forever  
Wanna be like you  
Just as weak as your are, weak as you are

I wanna be daylight in yours eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be love only stronger  
I wanna be daylight in yours eyes  
I wanna be sunlight only warmer  
I wanna be daylight...

Daylight  
I see it in your eyes  
Daylight  
I wanna be, just you and me, warmer then sunlight

Daylight  
in your eyes  
in your eyes  
in your eyes

I wanna be daylight in yours eyes  
I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be love only stronger  
I wanna be daylight in yours eyes  
I wanna be sunlight only warmer  
I wanna be daylight...

Daylight...I see it in your eyes
