How could it happen, that I was wrong?  
Speaking those words, a malicious tongue  
It chokes me, I'm scared and I can't breathe

Another day's passed, to crown it all  
A trial of patience before the fall  
It never rains but it pours

[Pre-chorus]  
Waiting for this one dawn  
The grand entrance of light  
It's paving the way to catch your sight

[Chorus]  
Flame of passion burn in me  
Thrill me heart so endlessly  
When all your fondest dreams won't do at all  
Play your court card all so well  
Fly a kite and seek the one spell  
One flame of passion, hear the call

Faith is bliss and bliss not rare  
A fleeting smile is what we all can share  
So put a spoke in the wheels of fate

The hub of the world is where you can be  
The one missing page in your diary  
Why don't you read between the lines?

[Pre-chorus]

[Chorus]

Flame, it's the flame of a passion  
Tame, endeavour for more  
Years gone by  
Skies will dye  
Seamless the colours ally

Flame of passion

[Chorus]
